

SHHH, IT'S A SECRET!

Teacher Appreciation Week is the first week of May!

The PTA has many things planned for the teachers and we would love to get the students involved.

In honor of our teachers, the PTA invites you to **SPEAK UP!**
Please use the form provided below for the students to write or draw a note of thanks to their teachers. Or you can make your own! Please take a moment to let your teacher know how special he or she is.

Parents are also encouraged to join in. You can email a letter to katiechase21@gmail.com or send the note with your child to drop off at the school.

There will be a box labeled **LETTERS** by the front and side entrances of the school.
Please drop off letters sometime during April 17th- 21st in these boxes.

Thank you for making Teacher Appreciation Week a success!
